

The Travel & Tourism event was created by DECA/Delta Epsilon Chi in response to the career opportunities available for college graduates in the area of travel and tourism.

Basically, each participant with a career interest in travel and tourism will analyze a role-play situation related to the industry. The participants will make decisions regarding the situation and interact with you, the judge(s). This role-play situation is typically presented in written form. The role of the participant and of the judge(s) will be determined by the specific role-play situation.

Participants also complete a written exam. The score given by the judge(s) for the role-play is double-weighted, then combined with the participant's exam score to arrive at a final score for the participant.

Judging the Presentation

1. To ensure fairness, at no time should a participant be asked where he/she is from (school, state, country, etc.).
2. Participants will be evaluated according to an Evaluation Form accompanying the role-play.
3. Participants will be scheduled for presentations at twenty (20) minute intervals. Remember, your role will be determined by the specific role-play situation.
4. Please place the participant's name and identification number (using labels if provided) on the bubble score sheet as instructed (if not already done). If a bubble sheet has not been provided, this information must be placed on the evaluation form specific to the role-play situation.
5. You will interact with the participant for up to fifteen (15) minutes. This includes time for the participants to interact with you based on the role-play situation, and for you to make comments and ask questions. Each role-play situation includes 2–3 standard questions that should be asked of each participant. In addition to these, you may ask additional questions for clarification specific to the current participant.
6. After the role-play is completed, please thank the participant. If appropriate for the situation, you may state that a decision will be made soon and that the participant will be notified of the decision.
7. During the last five (5) minutes, after the participant is excused from the judging area, you may score the participant. Refer to the Evaluation Criteria for guidelines. On the bubble sheet provided, please bubble in the appropriate score AND write the score on the corresponding line to verify accuracy. Please make sure not to exceed the maximum score possible for each item.

Please make sure to score all categories, add them for the total score, then initial the total score. The maximum score for the evaluation is one hundred (100) points.

Note: If a bubble score sheet has not been provided, you will indicate your scores on the evaluation form.
