National Officer Election Ballot

Please rank in order from one (1) to five (5) the candidates you would like to be elected to the 2009-2010 national officer team. You indicate your first choice option with a one (1) and the order descends appropriately. You may only indicate five (5) candidates to fill the officer team. You may elect fewer than five candidates if you feel that is appropriate; a candidate name left without a number receives no vote. Inappropriate numbering, such as ranking more than one candidate with a “1”, will disqualify your ballot and you will lose your vote.
